

PRINCE2 Retake Policy

A participant who does not succeed in his examinations is entitled to a maximum of two retakes.

PRINCE2 Foundation exam

If you do not pass your PRINCE2 Foundation exam, the Centre for Continuing Education will offer you to retake a different paper on the next day (after the workshop) or the following week, on Wednesday morning (9:00 – 12:00) at no extra cost. Simply send us your request at continue@uOttawa.ca and we will have it ready for you.

Important: Please note that failing the PRINCE2 Foundation exam will not prevent you from pursuing the workshop and challenging the PRINCE2 Practitioner exam. However, you must pass the PRINCE2 Foundation exam before receiving your PRINCE2 Practitioner exam results. The passing grade is 55%.
